

SCHOOL UNIFORM EXPECTATIONS 2023-2024

Why do I have to wear a school uniform?

Uniform gives us a feeling of belonging to our school. It encourages punctuality, neatness and a proud feeling among students.

How you dress in school plays an important role in your education.

Why can't I wear what I want to school?

Clothing choices in schools can lead to peer pressure to look or dress a particular way. It can put pressure on parents to purchase expensive 'must have' clothing and some clothing can suggest and lead to gang affiliations. This can ruin self discipline and work ethic.

Why will a school uniform benefit me?

It reduces distraction in class, students are often drawn to discuss what particular brand of clothing they are wearing amongst one another.

It distinguishes us from other school students. When you are walking to school, or out on a school trip, the Chaucer blazer makes you easily identifiable as ambassadors of the school and gives you a sense of belonging.

Why will a school uniform benefit me?

Most importantly, it helps to prepare for the world of work and life in modern Britain.

For the vast majority of jobs , there will be a uniform of some kind or dress code to adhere to.
