## Welcome from the Headteacher at Chaucer School

Thank you for considering becoming part of Chaucer School.

Chaucer School is genuinely at an exciting stage of development. We're under no illusions that this is a school in a challenging context, in a community where students can face difficulties in every aspect of their lives. However, we also know that working in a school like ours brings rewards like no other. We are looking for other likeminded colleagues to join us in our drive for first class education hand in hand with first class support.

With significantly strengthened capacity since the OFSTED inspection in June 2022, we have taken ambitious action to bring our school a long way down the road to improvement in a short amount of time. Two OFSTED monitoring inspections to date have been incredibly positive about the progress that we are making across the board. In short, Chaucer School is stepping up to the plate. 'The Chaucer Way' means that everyone knows what is expected of them. Our expertise and impact with safeguarding for our community is something we're extremely proud of. Our work on the quality of education allows for innovation and creativity to support all our learners. Our pillars of personal development, and in particular work on careers and aspirations, is starting to pay back with a cultural shift into bigger and better beliefs in real futures for and from our students. Our clear Relationships and Behaviour policy with high expectations aims to work with students and families to find a way to encourage, build, and maintain positive behaviour in school.

Our three core values of Respect, Responsibility and Kindness are at the heart of our drive for improvement from and for students. With support from our Trust colleagues across Tapton School Academy Trust, both primary and secondary, and our extremely supportive and involved governing body, we know we are 'better together' to realise the life chances and dreams of every child in the Trust.

I hope the following information gives you something of an insight into what makes Chaucer School different to many other schools. If you would like to visit to see if Chaucer School is the place for you, please do get in touch to make an appointment.

Joanna Crewe

Headteacher

#### **Our Context**

The IDACI deprivation index of 2019 places our students as living in one of the most deprived wards in the country – the top 1% - 246<sup>th</sup> out of 32,844 wards in England. This position had worsened since 2015 and we can see that position having been exacerbated again through COVID impact, and the cost of living crisis. The 7 domains of deprivation such as income, employment, health, crime, all place our students under significant risk, with some factors rating at the most disadvantaged scores. Pupil Premium funding is registered for 58% of all students.

After Covid, safeguarding needs have increased significantly as children returned after lockdown, with annually around 10% of the school subject to at Child in Need/Child Protection, open CYT cases, and FIS support. Attendance is an ongoing focus area as we strive to embed aspiration and a belief in the importance of education, and we are proud to have made significant gains in attendance this year, but with more increases to be won. This context informs each of our strategies to support, safeguard and guide students to success, but significantly impacts on trust, engagement and aspiration to be socially mobile. Our inclusive practice and trauma informed, ACE aware relational approach to work WITH students and families is therefore crucial in order to reengage students into learning.

## **Quality of Education**

With the Trust, we have co-constructed and continue to align a curriculum that is ambitious and designed to give all students, particularly disadvantaged, the best possible opportunities for success. We continue to address the challenge of knowledge, communication and cultural capital with disciplined innovation through delivery, experience and intervention for students to close any gaps that have emerged. The end points of the curriculum are for all students to have been nurtured to realise their life chances and dreams as successful learners, confident individuals and responsible citizens with the best possible qualification outcomes for employment readiness.

The curriculum and supporting structures have been redeveloped so a broad range of subjects are available to enhance further the effective delivery of knowledge and skills for all students including those with special educational needs. We are also at the next stage of curriculum alignment across the trust, with broad KS3 alignment in Core and EBACC since Autumn 2022. In addition, our commitment to genuinely alternative curriculum offers at KS3 and KS4 mean that we invest in both internal and external provision experiences in horticulture, bike maintenance, construction, furniture restoration, bee keeping, and hair and beauty.

With lower literacy levels than average, every teacher is a teacher of literacy at Chaucer School. In terms of supporting literacy and reading, all teachers are aware of the importance of supporting literacy needs into each lesson, and clear guidance is regularly shared on each child's decoding skill levels. In addition, a key thread through lessons and tutor time is developing and embedding oracy confidence for each child.

A teaching, learning and assessment trust wide cycle has introduced standardised Trust assessment points and then deep analysis leads to next steps being specified. Qualifications have been aligned across TSAT to ensure that the best possible support can be deployed, as well as best practice on sharing of assessments, resources and planning. Our trust relationships continue to grow and develop as we learn as much from our differences as our similarities – but always 'better together.'

## **Quality of Support**

Our safeguarding culture in school is of the highest priority. The high volume of safeguarding cases from our community means our staff are experts in their field, and processes are watertight to effectively manage and maintain the safeguarding needs of the children of Chaucer School. No stone is left unturned in seeking strategies to support children through our trauma informed ACE aware relational approach.

We have a very strong culture of inclusive practice/impact developing its curriculum to support students with adverse childhood experiences (ACEs) and ensuring trauma informed pedagogy is at the forefront of delivery. This means that a core strand of staff CPD is focused on trauma informed, relational practice in the classroom. The Social Discipline Window of working WITH students and families, rather than doing 'to' or 'for' them, is at the heart of our approach. There is a focus on relationship and behaviour training for staff, including sessions around trauma informed practice and the 'window of tolerance;' We also set great store in all staff use of the behaviour database enabling subject leaders in particular to have an acute understanding of the behaviour data within their own areas, and teacher/student relationships.

Year 7, 8 and 9 are taught in mixed ability tutor groups, which students stay in for the majority of their lessons. Behaviour data, staff voice and student voice all suggest this has been a positive development for the school, and continue to show benefits for engagement and progress.

In a context of traditionally poor attendance, both within the city and in the immediate environment, the school pursues all avenues to tackle the aspiration to attend and achieve. The attendance team are relentless in their pursuit of improvements to attendance under the lens of safeguarding, supported by the team of tutors, Engagement Leaders and Year Leaders. Attendance is everyone's business, and we all see attendance as high priority.

Our Personal Development programme has strengthened at pace, with a range of context specific learning opportunities alongside the national requirements. There are five Pillars of Personal Development - Support, The Chaucer Way, Life Learning (including RE and tutor time), Extra Opportunities, and Careers.

The role of the tutor is a significant part of a students' support mechanism, with tutors being the key support adult for all students in their consistent tutor group. Extra support is provided by a non-teaching Engagement leader and teaching Year leader for each year group in school. Students are also supported by specialist staff in SEN, Safeguarding, and Mental Health and Wellbeing staff in bespoke areas around school such as Oasis, Sanctuary, Nest and Lincs which cater for different additional needs.

Personal Development learning is tracked through LIFE lessons, subject curriculum development plans and also year groups to ensure opportunities are not missed for any aspect of SMSC, PHSE and RSE. Our LIFE programme is interleaved with the curriculum to provide learning strategies, interpersonal skills, financial awareness and emotional intelligence. We have a rich programme of external professionals coming into school to educate large and bespoke groups not just on career and academic pathways, but also, regarding the dangers of gang culture, knife crime, CCE/CSE, in order to match our community context and need. These opportunities support student confidence, resilience and independence.

Extra opportunities for student in the form of special events, trips, visits and additional experiences add to the cultural capital of all our student, and are underpinned by our house system where Sharman, McKee and Ennis are pitted against each other in a range of staff and student house events across the school year.

Careers provision further enhances the practical work of raising of aspirations all students with high quality careers activities and interventions. The LIFE curriculum includes a careers curriculum element in Years 7-11, including local labour market information, different sectors of work, and the difference between a job and a career. This is moving towards driving links to careers through curriculum subject choices. Engagement with aspirational sixth form provision is increasing significantly, as well as a cultural shift towards a real belief in aspirational careers, courses and futures to be proud of.
