

29th March 2023

Dear parents/carers of Year 7 students,

As we approach the Easter break, we wanted to inform you of some upcoming changes to the Year 7 timetable.

So far this year, there have been seven tutor groups in Year 7. After Easter, that number will be reduced to six. Students in 7VS will be distributed amongst the remaining six tutor groups. This is to allow their tutor to work with another year group.

As a result of this change, some student timetables may be slightly different. All students will still access the same broad, balanced, and ambitious curriculum – they just might have different classmates and different teachers upon their return from the break. If you could support your young people by encouraging them to demonstrate respect, responsibility and kindness with their classmates and teachers – existing and new – that would be appreciated.

Students will be informed of any changes and provided with a new timetable where necessary. However, if you have the My Child At School (MCAS) app, you will be able to look at their timetable in advance. The app also allows you to keep track of any important information regarding your child and how they are getting on at school. Should you require support in accessing or setting-up the app, please see <https://www.chaucer.sheffield.sch.uk/mcas> or contact or visit the school.

If you have any questions about the changes to the year group, feel free to contact me on ghammonds@chaucer.sheffield.sch.uk – or by calling the school and asking for me, and I will call you back.

Thank you for your ongoing support.

Gary Hammonds

Deputy Headteacher
