

Collection of Stakeholder Voice

October 2025

Dear Parents and Carers

As part of our ongoing commitment to continuous improvement and collaboration, schools within our cluster are working together to gather the views and experiences of all key stakeholders – including pupils, staff and families.

Your voice is incredibly important in shaping the future of our schools and ensuring we continue to provide the highest quality education and care for every child.

This initiative will help us to:

- Understand what is working well across our schools
- Identify common challenges and areas for improvement
- Share best practices between schools
- Strengthen the partnership between families and schools.

Please complete the Microsoft form on the link here <https://forms.office.com/e/J9bR4i9ahV> by Friday 31st October.

We would also appreciate it if you could encourage your child to complete our pupil voice questionnaire that will be sent out to their school email address by Friday 31st October.

Thank you for your continued support and involvement.

Yours faithfully

Kat Rhodes
