

JC/CCL

19 April 2022

Dear parents/carers,

Students have seen in school today that we've had shutters fitted at the doorway of toilets. Can I confirm for you that the rules on toilet access have not changed at all. Students are encouraged to use toilets before school, afterschool, and during break and lunch times. However, students still have access to a toilet at all times. Students can ask for permission from an adult to access the single clean and monitored unisex set of toilets during lessons when they really need to, or if they have any medical need. Any lesson time access should be always with a note written in their planner.

We all deserve access to clean and safe toilets. The shutters on some sets of toilets during learning time will ensure that toilets can be monitored at all times, and therefore be well kept and safe. I hope you'll support us continuing to improve Chaucer School with this small change.

Yours faithfully,

A handwritten signature in black ink, appearing to read "J Crewe".
